Website: www.irishbeekeeping.ie

Thursday 27th - Sunday 30th
JULY 2023
SOUTH CAMPUS
UNIVERSITY OF MAYNOOTH

KEY NOTE SPEAKER

Norman Carreck has been a bee research scientist for thirty two years. He has lectured about bees on all continents where bees are kept, has written many scientific papers, book chapters, conference contributions etc. He is a director of **Carreck Consultancy Ltd** and **Bee Publishing Ltd** and is based at the University of Sussex, UK.

SUMMER SCHOOL

**Save the dates – Summer School 2023
Thursday July 27th - Sunday 30th**

Welcome to the 75th FIBKA Beekeeping Summer School which will be hosted on July 28th & 29th 2023 in the South Campus, University of Maynooth, Co. Kildare in Ireland, just 24 kilometres from Dublin City Centre.

Complementary activities are planned for the **Thursday 27th** and the **Sunday (30th)** afterwards.

A range of courses in beekeeping are available for all aptitudes including beginners, intermediate and advanced practitioners of Apiculture.

Practical experts and accomplished academics will teach the fundamentals of the science and the well developed craft of beekeeping and update us on recent inspiring research findings from universities and research institutions based at home and abroad.

HONEY SHOW

The Irish National Honey Show '23, sponsored by *An Bord Bia*, takes place on **Friday 28th** and the Awards ceremony is on **Saturday afternoon 29th July**.

UPDATES

We will keep you updated here on the website and through our publication *An Beachaire* as the programme unfolds.

Details of how to reserve your place and accommodation, if required through www.eventbrite.ie

We look forward to meeting our fellow beekeepers and friends in person, which has always been an integral part of the Summer School.
